Dart Global Logistics (formerly Dart Express) commenced its operations in Sri Lanka in 1983 as a part of the Hong Kong based Dart Express Group, a pioneering freight services company based in Hong Kong.

With the success of its operations in Sri Lanka and recognizing the enormous potential in the region, the Dart Express Group mandated Dart Express Colombo and its Managing Director Mr. Charles Wijesundera to develop the Indian sub continent and the West Asia region. Thus, over the last 30 years the Group has successfully ventured into India, Bangladesh, Pakistan, Dubai, Vietnam, China and with Colombo, Sri Lanka as the regional head quarters.

In the latter part of 2007, the Dart Express Far East Group decided to merge with a US Logistics and Customer Brokering company. At which point, the West Asia Regions opted to remain independent under the banner of Dart Global Logistics.
